

# Pastor Gary Rozkowski

---

I grew up in a Catholic home and my family lived in Michigan the northern part of the United States. I met my wife Lora, in Michigan and we were married on August 22, 1981. Soon after our marriage we decided to move south to sunny Florida. We have been married 36 years as of August 2017.

I received Jesus Christ as my LORD and Savior in 1991 at Gospel Outreach Church in New Port Richey, Florida. While attending Gospel Outreach, my wife and I oversaw the Love Center Ministry, which was a feeding program to the community for those in need. I preached the gospel each Sunday afternoon to the people that came. We also did follow-up house visitations. At that time we were involved in small home groups' during midweek, as well as going on missions' trips to Mexico and Colombia.

I coached church softball teams for about 25 years which included imparting spiritual truths to the men on my teams.

I began traveling to China on short-term missions in 2001, smuggling Bibles from Hong Kong to mainland China. I did street witnessing in other cities in China, distributed Bibles on University campuses and preached the gospel to Chinese students. I spoke in churches as well as taught Bible studies in the Chinese church. I have been to China approximately 15 times to date.
