

ALL ANOINTING OILS ARE NOT THE SAME!

May 2026 – Testimony by Lora

Psalm 91:10-11 (KJV) There shall no evil befall thee, neither shall any plague come nigh thy dwelling. For He shall give his angels charge over thee, to keep thee in all thy ways.

My husband (Gary) and I went out to dinner with a friend (John). He said; "Lora, the Anointing Oil you gave me I had to throw away." I was surprised, WHAT?? I began asking him some questions as to what the reason was.

Several months ago, I had purchased Anointing Oil from a person that creates different blends of oil, I bought 2 bottles. One of them I gave to our friend (John). I felt it was a more manly fragrance, and that it would suit his ministry better than mine. Each oil bottle came with a paper that had prophetic notes about the oil. John read over the paper twice and discerned there was something spiritually wrong with the oils. He said he tossed both after reading through the paper the 2nd time.

Needless to say, I was a little alarmed at this and when we got home from dinner, I put my bottle in the outside trash. *I've learned not to give things to people or Goodwill, but to trash them!*

SELAH

After reflecting on things; and events over the past 6 months. I remembered an instance with one of the anointing oil bottles, it had gone missing. I noticed it missing after we had a group of people over for a ministry party. I prayed and searched the house high and low but, could not find the oil anywhere! I thought someone had taken it; what else could it have been? Well, a few weeks later I found the oil bottle on the floor behind the door. It was nestled behind the door

stop and not really noticeable. Needless to say; I had to repent for thinking that one of my guests had taken the oil. Forgive me LORD.

A few months later a large group of crows (called a murder) started gathering outside our property. They were loud and obnoxious! They resided there for at least a couple of months.

I know some of the neighbors that live around us like to feed the birds. Eventually I started seeing whole peanuts in our red birdbath out front. The crows would drop several in the birdbath every day. I would clean it and the next day the peanuts were back! It was very strange, these crows were on our roof, in our tree out front, in the tree behind us, and in the tree across the street from us. Finally, I found the neighbor who was giving them the peanuts, I gently confronted. I do not see the peanuts anymore in the birdbath, it was quite messy. HALLELUJAH!

Along with the murder of crows, a large black snake found its way onto our back porch. Yes, it was quite big! I was able to get it out the back door of the porch after about 45 minutes of moving it with one of my very long flag poles... whew!

Then about a month or so after the big snake incident, we had some work done on the inside of the house. The company had to move a few pieces of furniture and found a small black snake curled up on our bedroom floor!!!! The snake had babies. Gary took care of it, but SERIOUSLY in the house??

NOW

Fast-forwarding to today, the crows stopped by briefly one last time and flew off. All is quiet around the house. I anointed all entry ways into the house and the 4 corners of our property with Anointing Oil from: **The Ministries of Hegai,**

<https://www.hegai.org> this gal I trust and recommend. I've personally spoken with her on the phone; she is lover of Jesus Messiah.

KNOW THE SOURCE

3

Beloved, I understand we are in a spiritual battle and demonic forces are always working to find ways to attack and divert our focus from Yeshua Messiah. I have to speak this *caution* as a testimony because; I was drawn in to purchasing the wrong oil. Gary and I have this rule that we like to follow, KNOW YOUR SOURCE. I did not look into the source before purchasing the oil. I am thankful for friends that will be honest and let us know we are off track.

Beloved pray before you start your day. Always begin your day communing with the LORD. I like to study and read a devotional at the start of my day. Anoint yourself (sanctify yourself as the temple of the Holy Spirit with anointing oil) in your comings and goings.

Give All Glory and Honor to Father God.
