

The KING is coming... An open vision

The KING is coming...

The LORD gave me this message; '**The KING is coming**' last night along with an open vision of heaven. It was so glorious!!!! We were worshiping the LORD with the song; Presence of Angels by Roy Fields. What a POWERFUL song!

And they sang a new song, saying:

"You are worthy to take the scroll, and to open its seals; For You were slain, and have redeemed us to God by Your blood out of every tribe and tongue and people and nation, And have made us kings and priests to our God; and we shall reign on the earth." Then I looked, and I heard the voice of many angels around the throne, the living creatures, and the elders; and the number of them was ten thousand times ten thousand, and thousands of thousands... The KING is coming... An open vision

The Vision:

We (the Bride of Yeshua) were in this extremely huge place; it was so vast that I could not see an end to it or 4 walls. Up front there was an enormous platform with stairs. Cherubim with 6 wings who were completely white were standing in a semi-circle on the platform facing the believers. They had 1 set of wings touching each other's wings, one set at their sides and the one set covering their eyes.

The anticipation and energy in the room was incredible, all were in one-accord. There was a pathway leading up to the platform. The 24 elders were at the bottom of the stairs on either side of the pathway. The 24 elders wore colorful robes with symbolic symbols on them and held gold crowns in their hands. The redeemed crowded on both sites of the pathway and all were dressed in white waiting with great expectancy for the coming King. The thought came to me...**The KING is coming...** and as I looked down the pathway I could see Yeshua (Jesus) coming towards us!

Every being in the room was crying...Holy, Holy, Holy...

I could not make out any faces on the Cherubim nor on Yeshua' because of the brightness of their beings were like that of the noonday sun. But I could see that Yeshua had a simple gold crown on his head. He was dressed in white with a rich deep purple robe trailing behind Him. The train of the robe seemed to be endless; it just kept coming and coming as He walked towards the front. It reminded me of the scripture in Isaiah 6 of His train filling the temple...GLORY! HALLELUJAH!!!!

As Yeshua walk past me towards the front, the 24 elders began to cast their crowns before Him. The crowns landed in the train of His robe. And again the purple fabric (His train) kept coming and coming and coming; there seemed to be no end! As He passed by us believers we fell to our knees in worship. ♦

Something is happening in our midst...His Presence is with us. Beloved Bride, it's a new time to press in. **He's coming...**
