Let us rejoice and shout for joy! Let us give Him glory and honor, for the marriage of the Lamb has come [at last] and His bride (the redeemed) has prepared herself."

A LITTLE ABOUT ME ~LORA

I've been in the Worship Arts Ministry on and off for some 30+ years. I actually laid it down twice, giving every flag and worship tool away that I had. I thought God wanted me to do something else, and so I tried many things but they were never a good (God) fit. I was like an outsider looking in. Have you ever felt that way? You just don't seem to fit in no matter how hard you try? For me it was because God had a plan for my life, to worship Him in the Creative-Worship Arts Ministry.

The LORD said to me the third I picked up the calling to the Worship Arts; "This is the last time I am putting this call out to you. The Worship Arts Ministry is what I want for you, now stay put ...the 3rd time is a charm!" And upon hearing that Word from the LORD, I dove head first into the ministry, and I never looked back! Beloved, when the God of heaven speaks, listen up!!

♥ *Just a word of caution, don't let well-meaning people put you into a box (their box). Let the Holy Spirit guide you into what He has for you. I appreciate wisdom from others and learn many things but, in the end? I take it to the LORD and ask His wisdom on the matter, amen?*

In the past, I have lead worship arts teams, choreographed presentation pieces, ministered in the mission field, taught seminars and have written several teaching articles. I have those teachings/articles listed on my website for the Worship Arts Community to use. Here's the link to my website WORSHIP WARRIORS: <https://worshipwarriors.net>. I've never been one to

THE BRIDAL GARMENTS

2

Romans 13:14 (NIV), "Rather, clothe yourselves with the LORD Jesus Christ, and do not think about how to gratify the desires of the sinful nature"

I am going to share from my heart with what the LORD has shown me about "**Dress Whites**." I had a friend in the ministry recently call it, wearing white garments "high worship." Just love that thinking. As we wear our **Dress Whites**, we are displaying that we represent the Bride of the LORD Jesus Christ.

Sometimes photos and images can explain things or help enhance what is being said. I am a firm believer in using images to help teach a message. This is a gorgeous picture of my beautiful friend Apostle Alea. Her high worship photo depicts **exactly** what I am talking about when I say; "**Dress Whites**" are worn for high worship.

DRESS WHITES:

- The color white symbolizes the Bride of Christ (*washed white as snow by the blood of the Lamb*)
- In team ministry all garments are the same (*one does not stand out from the others*)
- The full garment is modest (*the body is fully clothed and not skin tight which accentuates body parts*)
- The full **Dress Whites** Garment consists of several layers (*remember white is see through and with bright lights shining all the more*)

Women:

- Nude or flesh colored undergarments
- White footless leggings or tights (*opaque*)
- Palazzo pants (*there are exceptions*) sometimes a long slip will suffice
- White long sleeved bodysuit (*modest neckline*)

- White floor length dress with modest neckline (*sometimes referred to as a boat-neck, neckline*)
- White overlay that is "not" form fitting (*sometimes fancy trims are added*)
- Dance shoes in a nude color (*or bare feet*)

3

Men:

- White undergarments are fine which include a short sleeve undershirt in white
- White long sleeve tunic type shirt (*sometimes a sash is added which matches the trim on the women's overlay*)
- White trousers (*sometimes black are worn, white is preferred*)
- Dance shoes in a nude color (*or bare feet*)

NOTES:

- ❖ Long hair is pulled back. This lets people see the expression the worshippers face as they minister and creates a head to toe uniformity.
- ❖ Jewelry is brought to a minimum during ministry.

Notice that Apostle Alea's overlay with the gold trim is "not tight." The entire garment has a flow and that flow represents the Holy Spirit flowing in high worship. The same is true with a man's tunic shirt; it is not form fitted, but loose because it has a flow.

"For as a young man marries a young woman, so shall your sons marry you, and as the Bridegroom rejoices over the Bride, so shall your God rejoice over you." Isaiah 62:5
